Dear Mr. O'Reilly,

Subject: Development Application Additional Information Request

On August 25, 2011, the Commissioner of the Hebron Public Review, Miller Ayre, requested public submissions as to whether additional information is required from ExxonMobil Canada Properties prior to the start of the Public Review Sessions. The 30-day period in which to make any requests for additional information ended on September 23, 2011.

We look forward to your participation in the Public Review Sessions.
