Additional Information Request Submitted to ExxonMobil Canada Properties

The Commissioner of the Hebron Public Review, Miller Ayre, has submitted [a request for additional information](#) to ExxonMobil Canada Properties (EMCP) on September 30, 2011. In accordance with his [Terms of Reference](#), the Commissioner has completed his initial review of the Development Application based on submissions for additional information received from the public as well as comments from the Commissioner's independent specialists. Commissioner Ayre wishes to thank the various public organizations and individuals who submitted requests.

As a result of this initial review, EMCP is asked to provide "Supplementary Information". When this information is received and accepted by the Commission, it will be made public. A 30-day notice will then be issued giving the detailed times and locations of the Public Review Sessions.

The independent specialists for the Public Review are Luc Chabot (P. Eng), Dr. Doug House, Dr. Wade Locke, Dr. John Murray (P. Eng), Peter O'Flaherty (LL.M), Kevin Roche (P. Eng), Patrick J. Stamp, and David Taylor.
