Request for Submissions for Additional Information

The Commissioner for the Public Review of the Hebron Development Application invites public comment in the form of written submissions to determine whether additional information should be provided by ExxonMobil before convening Public Review Sessions on the Development Application. Submissions must be received at the Commissioner's office by Friday, September 23, 2011. Instructions on how to make a submission to the Commissioner can be found in the Commission's Operational Procedures on the Hebron Public Review website. A call for submissions to make presentations at Public Review Sessions reviewing the merits of the Development Application will be made at a later date.

Hebron Public Review Commission

The commencement of the Hebron Public Review was formally signalled on August 25, 2011, with the referral of the Development Application to the Commissioner by the C-NLOPB. The Development Plan, the Benefits Plan, and the Commissioner's Terms of Reference and Operating Procedures are posted to the Hebron Public Review's website, www.hebronpublicreview.ca.

For further information, visit the website or contact the Commissioner's office at The Fortis Building, Suite 903, 139 Water Street, St. John's, NL, A1C 1B2, telephone (709) 778-4255 or info@hebronpublicreview.ca.
